

Hello, my name is  
**IAN  
ARCHER**

## **ABOUT ME**

Marketing and Management, looking to possibly go into marketing for defense sector; Fairly proficient with both software and hardware of computers, use anything that helps me achieve what I'm trying to do, like adobe products, CAD software's, and of course Video Games; I am originally from Los Angeles. Chose UNR because moved to Reno with parents. Favorite music would have to be more or less any major west coast song or artist. What sums me up, an extremely unmotivated person who can be extroverted, and wants copious amounts of money
